09:00 - 09:15	Session #1A: Welcome Introduction <i>Sashin Ahuja - UKSSB Chairperson</i>		
09:15 - 10:00	Session #1B: Keynote Speaker <i>joint session with AO Spine</i> Outcomes in adult deformity - what are we measuring? Frank Kleinstuck		
10:00 - 11:00	Session #1C: Paper Session <i>Best of the Best</i>	10:00 - 11:00	Session #2A: Paper Session <i>Intradural, Spinal Cord Injury and Spinal Oncology</i>
11:00 - 11:30	Coffee Break		
11:30 - 12:30	Session #1D: Paper Session <i>Innovation & technology</i>	11:30 - 12:30	Session #2B: Paper Session <i>Spinal Degenerative: Cervical</i>
12:30 - 13:30	Session #1E The myths and truths of degenerative spondylolisthesis Dominique Rothenfluh Irfan Siddique Frank Kleinstuck	12:30 - 13:30	Session #2C The nuances of non-surgical management of degenerative cervical myelopathy Lianne Wood Karen Outram
13:30 - 14:30	Lunch, Posters & workshops		
14:30 - 15:30	Session #1F Traumatic Lumbo-Pelvic Dissociation - An Update Nikhil Shah Amol Chitre Alex Montgomery	14:30 - 15:30	Session #2D Pain and Psychology Gail Sowden Whitney Scott
15:30 - 16:15	Session #1G Avoiding Unconscious Bias Shreya Srinivas Sophie Turner	15:30 - 16:15	Session #2E Communication Labels in Lower Back Pain Giovanni Ferreira
16:15 - 16:45	Coffee Break		
16:45 - 17:30	Session #1H: Keynote Speaker An update on Degenerative Cervical Myelopathy Mark Kotter		
17:30 - 19:00	Welcome Reception and Posters		

Wednesday 19 April 2023

Times	Lomond Auditorium	Times	Hall 1
07:45 - 08:30	Coffee and Registration		
08:30 - 09:15	Session #1I Novel Approaches to Cervical Spinal Cord Injury Brian Kwon	08:30 - 09:30	Session #2F Sciatica: What do we know <i>The science of sciatica and neuropathic pain' -Annina Schmid</i> <i>'Surgical/nerve root injection management of Sciatica' - Martin Wilby</i>
09:15 - 10:15	Session #1J: Paper Session <i>Spinal Degenerative</i>	09:30 - 10:15	Session #2G: Paper Session <i>Spinal Paediatric Deformity</i>
10:15 - 11:15	Session #1K Acute Referral Pathways Aprajay Golash Michelle Angus	10:15 - 10:45	Session #2H(1) Recent Advances in Spinal Cord Injury Rehabilitation Surendra Bandi
		10:45 - 11:15	Session #2H(2) Tetraplegic Hand Reconstruction Simon Pickard (<i>virtual</i>)
11:15 - 11:45	Coffee Break		
11:45 - 12:30	Session #1L: Paper Session <i>Spinal Degenerative: Lumbar</i>	11:45 - 12:30	Session #2I: Paper Session <i>Trauma, Infection and Miscellaneous</i>
12:30 - 13:30	Session #1M Consent in the 'Montgomery' era for spinal surgeons Chris Melton Lauren Sutherland Alex Crowe (<i>virtual</i>)	12:30 - 13:30	Session #2J Myelopathy Research Priorities Ben Davies Michael Fehlings (<i>virtual</i>) Chad Cook (<i>virtual</i>) Lindsey Tetreault (<i>virtual</i>)
13:30 - 14:30	Lunch, Posters & workshops		
14:30 - 15:00	Session #1N: Paper Session <i>Spinal Rehabilitation</i>	14:30 - 15:00	Session #2K: Paper Session <i>Spinal Pathways and Commissioning</i>
15:00 - 15:45	Session #1O The Asymptomatic Patient with Cervical Spinal Cord Compression – What Should I Do? Case Presentation - Mike Grevitt "The Argument for Early Surgery" – Mark Kotter "The Argument for Observation" – Brian Kwon	15:00 - 15:45	Session #2L Trainees Session Trainee Committee Interface Fellowship Travelling Fellowships
15:45 - 16:15	Coffee Break		
16:15 - 17:00	Session #1P: Keynote Speaker Personalised Spinal Care Alf Collins		
17:00 - 18:00	BASS AGM	17:00 - 18:00	SBPR AGM
19:00 - late	Conference Dinner - Glasgow Science Centre		

Thursday 20 April 2023

Times	Lomond Auditorium	Times	Hall 1
07:45 - 08:30	Coffee and Registration		
08:30 - 09:15	Session #1Q: Keynote Speaker Degenerative Cervical Myelopathy - Beyond the operating theatre Ben Davies		
09:15 - 10:00	Session #1R Research Trial Updates <i>(speakers TBC)</i>	09:15 - 10:00	Session #2M CES is not the only spinal emergency Rajat Verma Tom Watt
10:00 - 11:00	Session #1S: Paper Session <i>Spinal Paediatric Deformity</i>	10:00 - 11:00	Session #2N: Paper Session <i>Cauda Equina Syndrome and Miscellaneous</i>
11:00 - 11:30	Coffee Break		
11:30 - 12:15	Session #1T Lessons of revision spinal surgery learnt the hard way Saeed Mohammad Gerry Towns	11:30 - 12:15	Session #2O CES Debate Mike Hutton <i>(second speaker TBC)</i>
12:15 - 13:00	Session #1U MSCC/Oncology Chordoma: what not to do' - Simon Hughes 'Non-compressive vertebral mets: do we need a pathway?' - Nasir Qureshi	12:15 - 13:00	Session #2P Innovative treatment evaluations: Assessing ideal and real-world delivery of care Manuela Ferriera Gary Macfarlane
13:00 - 13:45	Lunch		
13:45 - 14:15	Session #1V Paediatric Cervical Spine Guirish Solanki	13:45 - 14:15	Session #2Q Person-centred care Lisa Roberts
14:15 - 15:15	Session #1W: Keynote Session Adult Cervical Deformity - What is it, why it matters and how to fix it Lennel Lutchman Chris Ames <i>(virtual)</i>		
15:15 - 15:30	Session #1X: Closing Session and Prizes
